

CELEBRATE WITH SAINT LOUIS

NATIONAL HEALTH CENTER WEEK

August 14-19, 2017

Celebrating America's Health Centers:

THE KEY TO HEALTHIER COMMUNITIES

Please join us as we celebrate St. Louis' community health centers during National Health Center Week, August 14-19, 2017!

Stop by during one of the scheduled **MEET & GREET'S** each morning. **This is an opportunity to network with health center leadership, understand the importance of our region's community health centers, the benefits to the surrounding neighborhood, and the need for this community resource.**

Wrap up the National Health Center Week with our **COMMUNITY CONCERT & CELEBRATION**. Attendees will have the opportunity to learn more about our region's health centers through a resource fair. Join us as we celebrate with a spirit of enthusiasm, hope and resilience for the work of the health care safety net.

All events are free and open to the St. Louis community!
