The Alene and Meyer Kopolow Award for Geriatric Psychiatry, Neurology, or Medicine
Nomination Form

The purpose of this award is to recognize stellar contributions to the care of older adults by a resident, post-residency fellow, or junior faculty member in neurology, psychiatry, medicine or related disciplines with experience on the geriatric services of Barnes-Jewish Hospital at Washington University Medical Center or at associated outpatient facilities, including Barnes-Jewish Extended Care. The award is not restricted to individuals with a medical degree. Nominees should demonstrate achievement in at least one of the following areas of geriatrics: direct patient care; didactic learning exercises or rounds, conferences, or national and international meetings; and in patient-oriented or basic research that address aging issues.

The award is supported by The Foundation for Barnes-Jewish Hospital from the Alene and Meyer Kopolow Fund for Geriatrics, Psychiatry, and Neurology.
