

Student Opportunity

Research Assistant or Practicum Position

A qualified individual is needed for a student research assistant or practicum position with the Institute for Public Health.

The student will conduct a comprehensive review focused on best practices and empirically-supported interventions to increase knowledge and awareness of Alzheimer's disease and related disorders, to increase screening and service utilization, and to support caregivers.

Who should apply?

- **MPH, MSW & PhD** students at the Brown School
- **MSOT & OTD** students in the Program in Occupational Therapy at the Medical School
- **PhD & DPT** students in the Program in Physical Therapy at the Medical School

Minimum requirements:

- Strong interpersonal, oral, and written skills
- Proficient computer skills, experience with Microsoft Office required
- Ability to work independently or as part of a team

How to Apply

Brown School students should apply using Symplicity.

Medical School students should apply by emailing a resume to vanwuri@wustl.edu.

**Students interested in a practicum position are strongly encouraged to contact Victoria Anwuri at vanwuri@wustl.edu or 314-747-9206 prior to applying.*

Preferred requirements:

- Experience conducting reviews, inventories and summarizing information
- Experience performing comprehensive literature and internet searches and analysis
- Interest in aging, health disparities and/or community partnerships
