Advancing Aging Research & Education at Washington University: Preparing for Longer, Productive Lives

Wednesday, April 24, 2019
Eric P. Newman Education Center
Washington University Medical Campus
AGENDA

9:30AM  WELCOME & OPENING REMARKS

Nancy Morrow-Howell, PhD, MSW
Director, Harvey A. Friedman Center for Aging, Institute for Public Health; Bettie Bofinger Brown Distinguished Professor of Social Policy, Brown School

9:45AM  PRESENTATION OF AWARDS

Marla Berg-Weger, PhD, LCSW
2019 Friedman Awardee

Lenise Cummings-Vaughn, MD, CMD
2019 Kopolow Awardee

10:00AM  KEYNOTE

Mark Wrighton, PhD
Chancellor and Professor of Chemistry

10:45AM  AUDIENCE Q&A

11:00AM  RECEPTION AND POSTER SESSION

In the atrium

12:00PM  EVENT CLOSE
Harvey A. & Dorismae Hacker Friedman Award for Excellence in Service to Older Adults

The Friedman Award recognizes individuals who make outstanding contributions in service to older adults. Individuals may make this contribution through practice, education, advocacy, or research. Eligible nominees must be professionals currently involved in work related to older adults within the St. Louis Metro Region.

This award is supported by The Foundation for Barnes-Jewish Hospital from the Harvey A. and Dorismae Hacker Friedman Endowment for Aging.

2019 Friedman Awardee Marla Berg-Weger

Marla Berg-Weger, PhD, LCSW, is a professor at the Saint Louis University School of Social Work, executive director of Gateway Geriatric Education Center (GEC) and Gerontological Society of America Fellow. She completed her doctoral degree in 1993 at the George Warren Brown School of Work, staying at the Office of Field Education until 1995. She joined the faculty at Saint Louis University in 1995 and has served as the Director of Field Education, School of Social Work; Senior Associate Provost for Academic Affairs; and Interim Dean, College of Public Service and School for Professional Studies. Her scholarship has included family caregiving, older adult mobility, and non-pharmacologic interventions for persons with dementia.

Past Friedman Awardees

2018 Janis M. McGillick, Dolan Memory Care Homes and Nikki G. Goldstein, Crown Center for Senior Living
2017 Cheryl Kinney, Alzheimer’s Association-St. Louis Chapter
2016 Virginia Buckles, Department of Neurology, Washington University
2015 Karen Berry Elbert, St. Louis NORC & Sherrill Wayland, SAGE Metro St. Louis
2014 Jennifer Phillips & Myrtis Smith Spencer, Knight Alzheimer’s Disease Research Center, Washington University
2013 Rebecca Fierberg, Knight Alzheimer’s Disease Research Center, Washington University & Deborah Dalin Gayer, American Parkinson’s Disease Association, St. Louis Chapter
2012 James Williams, Knight Alzheimer’s Disease Research Center, Washington University
2011 Terri Hosto, Department of Neurology & Nancy Tye-Murray, Department of Otolaryngology, Washington University
2010 Gammon Earhart, Program in Physical Therapy, Washington University & Nigel Cairns, Department of Neurology, Washington University
2009 Catherine Roe, Department of Neurology, Washington University
2008 Marie McGowan Meisel, Department of Neurology, Washington University
2007 Joanne Norton, Department of Psychiatry, Washington University
2006 Eileen Costantinou, Barnes-Jewish Hospital
2005 Tamara Hershey, Department of Psychiatry, Washington University & Maria Carroll, Barnes-Jewish Hospital
2004 Elizabeth Grant, Division of Biostatistics, Washington University
2003 Mary Coats, Knight Alzheimer's Disease Research Center, Washington University
Alene & Meyer Kopolow Award for Geriatrics, Psychiatry, & Neurology

The Kopolow Award recognizes stellar contributions to the care of older adults by a resident, fellow, post-doc, or junior faculty member in neurology, psychiatry, medicine, or related disciplines. Awardees have demonstrated achievement in at least one of the following areas of geriatrics: direct patient care; didactic teaching, conferences, or national and international meetings; and patient-oriented or basic research that address aging issues.

This award is supported by The Foundation for Barnes-Jewish Hospital from the Alene and Meyer Kopolow Fund for Geriatrics, Psychiatry, and Neurology.

2019 Kopolow Awardee

Lenise Cummings-Vaughn, MD, CMD, is an Associate Professor of Internal Medicine in the Division of Geriatrics and Nutritional Science at Washington University in Saint Louis and provides care for older adults in the outpatient, inpatient and long-term care settings. She is the Medical Director for the Stay Healthy Clinic and Outpatient Program, the primary readmission prevention program at Barnes Jewish Hospital and the Associate Medical Director for Parc Provence Nursing Home. She is also a clinician for the Memory and Aging Project at the Knight Alzheimer’s Disease Research Center at Washington University. Her scholarly activity focuses on understanding factors that lead to poor outcomes for older adults generally, early identification of those at risk of poor outcomes, and also the racial and ethnic differences in disease identification and outcomes.

Past Kopolow Awardees

2018  Gregory S. Day, Neurology, Washington University
2017  Ganesh Babulal, Department of Neurology, Washington University
2016  Scott Vouri, St. Louis College of Pharmacy
2015  Brandan Lucey, Department of Neurology, Washington University
2014  Erik Musiek, Department of Neurology, Washington University
2013  Tammie Benziger, Department of Radiology, Washington University
2012  Tanya Wildes, Division of Medical Oncology, Washington University
2011  Beau M. Ances, Department of Neurology, Washington University
2010  Susan Stark, Program in Occupational Therapy, Washington University
2009  Nupur Ghoshal, Department of Neurology, Washington University
2008  Consuelo Hopkins Wilkins, Division of Geriatrics & Nutritional Science, Washington University
2007  Randall Bateman, Department of Neurology, Washington University
2006  Christopher Carpenter, Division of Emergency Medicine, Washington University
2005  Monique Williams, Division of Geriatrics & Nutritional Science, Washington University
2004  Barbara Joy Snider, Department of Neurology, Washington University
2003  Kellie Flood, Division of Geriatrics & Nutritional Science, Washington University
Mark S. Wrighton

Mark S. Wrighton, PhD, is Chancellor and Professor of Chemistry at Washington University in St. Louis since July 1, 1995. Since his arrival, Washington University has made unprecedented progress in campus improvements, resource development, curriculum, international reputation, and especially in undergraduate applications and student quality.

Chancellor Wrighton served as a presidential appointee to the National Science Board (2000-06). He is a past chair of the Business-Higher Education Forum and the Association of American Universities. Wrighton has received many awards for his research and scholarly writing, including the distinguished MacArthur Prize. He is the author of over 300 articles in professional and scholarly journals, is the holder of 16 patents, and co-author of a book, Organometallic Photochemistry. Wrighton received his B.S. degree with honors in chemistry from Florida State University in 1969 and his Ph.D. in chemistry from the California Institute of Technology in 1972. Before Washington University, Wrighton served at the Massachusetts Institute of Technology as Professor, Head of the Department of Chemistry, and Provost.

Harvey A. & Dorismae Hacker Friedman

The 19th Annual Friedman Lecture and Awards is made possible by the support of Harvey A. and Dorismae Hacker Friedman Endowment for Aging at The Foundation for Barnes-Jewish Hospital. This annual event celebrates the latest in ideas and research in aging as well as provides an opportunity to recognize professionals providing outstanding service in the field. Lectures have covered a wide range of topics that represent the diversity of experiences and needs of aging adults and communities.
1. **Are There Racial Differences in Fear of Falling for Older Adults?**
   Mackenzie Hines-Wilson, Summer Program in Aging & Neurological Diseases

2. **Strength in Late Life: The Influence of Resilient Behavior on Longevity**
   Branson Fox, Summer Program in Aging & Neurological Diseases

3. **Center for Creative Arts (COCA): Expanding Opportunities for Older Adults and the Arts**
   Kyra Bukowski, Nikki Goldstone, Matt Moore, Rosalind Johnston, Danielle Worthalter, Jake Zucker, When I’m 64: Transforming Your Future

4. **Paraquad Health and Wellness Center: Older Adults Living Healthier Lifestyles**
   Jackson Butler, Zoe Hancock, Matthew Kim, Jordan Nagai, Eric Song, When I’m 64: Transforming Your Future

5. **Bridging Generations Through Optics and Sound**
   Katherine Nemetz, Shared Sites: Design for Intergenerational Aging

6. **Move, Pause, Interact: An Intergenerational Hub**
   Dooho Won, Shared Sites: Design for Intergenerational Aging

7. **A Phenomenological Study of Community-Dwelling Older Adults to Identify Strategies for Activity Re-Engagement**
   Marna Ghiglieri, MA, OTR/L, Occupational Therapy

8. **A Propensity Score Matched Study of Personality Change Following Life Events**
   Emorie Beck, Joshua Jackson, PhD, Department of Psychological and Brain Sciences

9. **Examining Community Participation Differences of Older and Younger Individuals with Disabilities**
   Sandra Espin Tello, PhD, MS, OT, Participation, Environment and Performance Laboratory

10. **Enhanced Medical Rehabilitation and Its Effect on Functional Recovery in Older Adults**
    Selmi Kallmi, BA, Sarah Pennock, BS, Emily Lenard, MSW, Marghuretta Bland, PT, DPT, NCS, MSCI, Peggy Barco, OTD, OTR, J. Philip Miller, Michael Yingling, MS, Catherine E. Lang, PT, PhD, Nancy Morrow-Howell, PhD, MSW, Carolyn M. Baum, PhD, OTR, Ellen F. Binder, MD, Thomas L. Rodebaugh, PhD, Eric J. Lenze, MD, Healthy Mind Lab
